# OUR SERVICES

## HVAC SYSTEMS

we supply and install a wide range of HVAC solutions including ducted, decorative wall-mounted, and package units tailored for residential, commercial, and industrial projects. Our products meet the highest energy efficiency standards in the UAE.

## MAINTENANCE & SERVICING

Our expert team provides scheduled and emergency HVAC maintenance to ensure peak system performance and longevity. Services include filter replacement, coil cleaning, and system diagnostic.

## PROJECT DESIGN & CONSULTATION

we offer complete HVAC design support for new developments or system upgrades, ensuring optimal airflow, cost-efficiency, and compliance with dubai municipality regulations.

# WHO WE ARE

ACSC is a Canadian-Founded HVAC trading company operating in Dubai, UAE. We specialise in providing innovative, energy-efficient air conditioning solutions sourced from trusted global manufacturers. our commitment is to quality, timely delivery, and client satisfaction.

From five-star hotels to universities and retail outlets, we've successfully delivered projects across the region with precision and professionalism.

Trusted by clients across the UAE, ACSC has built its name on reliability and innovation. we don't just sell HVAC systems- we partner with our clients to provide comfort, efficiency, and long-term value.

Refrigerant Leak Detector RL1010

• Sensitive to 0.5oz R12,R22,R134,R410 A  
• Two position sensitivity selector  
• 18 1/2" long gooseneck probe

Sound Level Meter  
db(A)DSM101

• Measures 4 ranges 40 to 130 db (0.1 db resolution)  
• Automatic or manual ranging  
• Maximum level hold  
• Over and under indication  
• Fast and slow dynamic response  
• A and C weighting  
• Three year limited warranty

Air Flow Meter DAFM2

• Measures Air Velocity, Temperature and Humidity  
• Calculate Wet Bulb, Dew Point, and Air Volume (CFM, CMM) and Air Volume (CFM, CMM)  
• Pressure/humidity sensor  
• Point Average for Air Velocity  
• 60 Second Average for Air Volume  
• Total Volume from multiple outlets  
• Large LCD digital display  
• Low battery indication  
• Microprocessor circuitry for reliability

Clamp on  
Digital Multimeter

• 400 Amps AC and DC  
• 600 Volt AC and DC  
• Resistance to 40 Megohms  
• Continuity  
• Autocorrection  
• AC Amps peak hold  
• Data hold  
• 1 mV DC resolution allows use of DMM adapters  
• 1 1/4" Jaw capacity

Digital Multimeter (uF) DM383B

• 750 Volts AC and 1000 Volts DC  
• 10 Amps AC and DC  
• Resistance to 50 Megohms  
• Diode check function  
• Continuity  
• 3 3/4" Dig. 4000 count display  
• Max capacity inside

Infrared Digital Thermometer

• 10:1 Distance to Spot ratio  
• Wide Temperature Range -50C° to 400 C°  
• Laser Targeting  
• Max value capture  
• Auto off  
• Backlit display  
• Over-molded handle with comfort grip
